

Magic, mayhem and mini-karts, – what more could you ask for?

An evil witch has captured Merlin the Magician and enchanted Camelot. You must help by defeating the witch's minions at their own game. Merlin Racing features a wide variety of races, vehicles and cute, cuddly characters. Strap on your helmet, put the pedal to the metal, and remember – only the best of the best can hope to save Merlin!

Merlin Racing is an original title from Miracle Designs and features:

- Four modes of gameplay – Adventure, Tournament, Arcade and Time Trial
- Ten cute and cuddly characters from which to choose
- More than 25 unique tracks in a variety of settings
- Three different types of vehicles; mini-karts, swamp-buggies and futuristic hover crafts
- Bonus items: grenades, rockets and turbo-boosts
- One or two players – race alone or go head-to-head with a friend

Peripherals: NUON COMPATIBLE GAME PADS
Infrared Remote Compatible: *Yes
